Program for else if Ladder

```cpp
#include <iostream>
using namespace std;

int main()
{
    int day;
    cout<<"Enter Day no. :"<<endl;
    cin>>day;
    if(day==1)
        cout<<"Mon"<<endl;
    else if(day==2)
        cout<<"Tue"<<endl;
    else if(day==3)
        cout<<"Wed"<<endl;
    else if(day==4)
        cout<<"Thur"<<endl;
    else if(day==5)
        cout<<"Fri"<<endl;
    else if(day==6)
        cout<<"Sat"<<endl;
    else if(day==7)
        cout<<"Sun"<<endl;
    else
        cout<<"Invalid Day no. !"<<endl;

    return 0;
}
```
